To provide a greater range of transportation options for Toronto Pearson passengers and employees, effective **June 12, 2018**, the GTAA will begin an 18-month pilot to offer full ride-sharing options available via Transportation Network Companies (TNCs).

Beginning at 06:00 on Tuesday, June 12, TNC providers (Uber & Lyft) will be able to offer their passengers full pickup service from Toronto Pearson. The pickup areas will be clearly marked with "Ride App Pickup" signage to ensure passengers can easily identify where they should wait for their ride.

Designated pickup areas are:

- Terminal 1 - Ground Level, (Door Q or P)
- Terminal 3 - Arrivals Level (Door D, then proceed to outside curb)
