

Advisory # 2019-A-034

**Subject: Temporary Closure vehicle access gate V315C**

**From:** Governance, Corporate Safety and Security

**Contact:** April McConkey, [April.McConkey@gtaa.com](mailto:April.McConkey@gtaa.com), (416) 776-3576

**Date:** August 1, 2019

The airside vehicle access and egress point V315C on Electra Road will be closed from August 19<sup>th</sup> at 08:00 with a target to re-open on September 9<sup>th</sup>. This closure is to provide for construction activities that will prevent vehicle access. During the temporary closure, vehicular traffic can use vehicle access point V315K located on Flightline Dr.

The below drawing identifies the location of V315C and V315K.
