

Advisory # **2019-A-038**

Subject: 12525 – Airside Storage Compound

From: Aviation Services

Contact: Chris Curd Manager, AVS Project Coordination (416) 776-5442

Date: Monday, August 26, 2019

Please be advised, as of August 29, 2019 construction of an Airside Storage Compound will commence with the following restrictions and limitations:

Please note corresponding numeration on drawings to below.

1. Modifications to Vehicle Gate V328, located next to the North Fire Hall, to start on August 29th. During this time the gate remains in service. Once Vehicle Gate V328 has been commissioned and tested, Vehicle Gate V303 will be permanently decommissioned. Emergency Response access will be moved to Vehicle Gate V328.
2. Pedestrian traffic will no longer have access to transit between Terminals beginning August 29, 2019.
3. Roadway access from Terminal 3 Arrivals Level - inner curb to Terminal 1 Arrivals Level will be closed from 19/10/29 until 19/11/06 Please use alternate route.
4. Road Widening will occur to provided 2-way traffic in and out of Terminal 3 Contractor Lot (Gravel Lot). Access will be closed from 19/08/29 until further notice. All unrelated project vehicles, equipment and bins must be removed from this lot by 19/08/25 to facilitate work.
