

Advisory # **2019-A-046**

**Subject: Construction work at T3 between Gate C36 and C37**

**From:** Aviation Services

**Contact:** Marjorie Thompson, Marjorie.Thompson@gtaa.com, 416-776-2794

**Date:** October 1, 2019

Please be advised construction has commenced at Terminal 3 near head of stand road between C36 and C37 to support a new upcoming baggage facility.

The construction work between C36 and C37 will not impact Head of Stand road, however some tenant parking at gate C36 as well as GSE space will be impacted. This work is related to snow melter removal. Access to all Baggage Laterals including LC22, the underpass at C37 to C30, freight elevator and waste compactor will remain available until further notice.

This advisory outlines the general impacts to the surrounding area for this phase of the project.
