Subject: Construction work between Gate C36 and C37

From: Operational Continuity & Emergency Management Programs (OCEMP)

Contact: Flora Graham, flora.graham@gtaa.com, 416-776-3426 or
emergency.management@gtaa.com, 416-776-3737

Date: October 4, 2019

Please be advised construction will be commencing at Terminal 3 between Gate C36 and C37 to support a new baggage facility, Early Bag Storage.

The construction work between Gate C36 and C37 will impede the use of the freight elevator BH35 at Hammerhead C. As such, this route will no longer be available for medical responses as of November 4, 2019.

Please utilize the terminal concourse or alternate access points for medical responses.
