**Date:** October 8, 2019

We continue to see progress with construction at Terminal 3 on head of stand road between C36 and C37 to support a new baggage facility.

The next phase of construction work commencing on Oct. 8, 2019 between C36 and C37 will impact:

- closure to Head of Stand road, tunnel by Hammerhead C
- some tenant parking at gate C36 and GSE area
- Access to all Baggage Laterals including LC22 (south door)

Gate closures as follow: C37A between Oct 15, 2019 – Nov. 15, 2019, C37 will remain operational; C36 between Nov. 4, 2019 – Dec 16, 2019.

Access to the freight elevator and waste compactor from the apron side will be blocked starting Nov. 4, 2019.

This advisory outlines the general impacts to the surrounding area for this phase of the project is weather dependent.
