Date: 2020 January 23

To accommodate the construction activities for the Pier G Expansion Project, the following modifications will be made to the south end of the Pier G facility area commencing Monday January 27th.

On Monday January 27th, Pier G Exit Ramp (at head of Gate 255) up to but, not including Gate 270 will be fenced off. No impact to Gate 255 during this work.

On Tuesday January 28th, Gate 264, 266, 268 & 270 will be closed at 1200. Gate 245A being brought online at same time to keep capacity.

Employee and passenger access to the closed gates from the walkway/canopy will be blocked by construction fence covered with tarp/fabric.

Fencing of remainder of south pier G area to commence after gate closure to provide a work area for the contractors. Fence will run adjacent to Gt 260 and will maintain an 8ft shoulder from edge of vehicle corridor through entire phase. (figure 2).

Gates 264, 266, 268, 270 will reopen in their new configuration upon completion of the construction of the south portion of the Pier G Expansion Project in late 2021.
