

Advisory # **2020-A-013**

Subject: Update to AVOP Renewal Procedures

From: GTAA AVOP Office

Contact: John Ventresca, john.ventresca@gtaa.com, 416-776-3579

Date: 2020-03-19

Effective immediately all current AVOP holders that are attempting to renew their AVOP's, will be granted an extension to 30-April-2020. These individuals will be permitted to continue to use their AVOP (D, D/A, GADA) without conflict until further advised.

This amendment will be forwarded to all Vehicle Security Access Guard booth personnel and CATSA NPSV Checkpoints' personnel, to allow expired AVOP holders to continue through the normal screening process despite the expired AVOP.

As the COVID-19 situation continues to evolve, future communications will be distributed as they become available. Please contact the AVOP office at 416-776-AVOP (2867) or avop@gtaa.com if you have any questions. Thank you for your patience and understanding during these very challenging and difficult circumstances.
