Date: 2020-04-03

As part of our ongoing response to COVID-19 and to ensure the health and safety of everyone at Toronto Pearson, the Value Park Garage, including the outdoor parking lot and the Value Park Station South Lot, will close effective April 10 at 6 p.m., until further notice.

All airport employees are to park in the Terminal 1 and 3 garages **daily side only** with the following guidelines in place:

- Parking is permitted in designated parking areas only
- Parking in drive aisles, walkways, in front of emergency doors and other non-parking areas will be subject to ticketing and/or towing
- Parking in accessible parking spaces requires a proper Ministry of Transportation issued permit and must be displayed at all times
- Parking in electric vehicle charging areas is permitted only while charging a vehicle; vehicles should be relocated as soon as they are charged
- Employees are expected to continue to comply with [Toronto Pearson parking terms and conditions](#).

This is a temporary measure to support reduced travel distances for employees to and from their place of work while we have parking space available at the terminals. All parking access cards have been automatically programmed to provide access to Terminal 1 and Terminal 3 daily side parking garages. Please note that Terminal 1 Express Park is
