Date: 2020-04-06

The GTAA Airport Development and Technical Services department capital restoration program continues to improve the reliability of People Moving Devices (PMDs) throughout Terminal 3.

The next elevators to be upgraded are AP9, which services gates A12-A13, and BH29, which services gate C32. These elevators will be removed from service on **April 7, 2020** with an expected return to service date of **June 9th, 2020**. During this period passengers requiring the use of either elevator will need to be escorted by airline agents to the airside corridor at gate A11 or C33 (see drawing below).

If have any questions, please do not hesitate to contact Hossana Ashagrie at 416-776-3487.
