The daily operating hours of specific employee non-passenger screening (NPS) points has changed in operating posture or will match and coordinate with the operating schedules for arriving and departing flights in the International and Transborder areas of Terminal 1 and Terminal 3.

1. The following access points will close approximately one (1) hour after the last scheduled flight for the specific operating sector. Opening times will remain the same. Affected access points are:
 - Terminal 1, Transborder NPS FD3078A
 - Terminal 1, International NPS FA3022
 - Terminal 1, International Arrivals NPS FC2048A
 - Terminal 1, International Arrivals Service Rd NPS FC1082A
 - Terminal 3, International Arrivals NPS H121A

Egress from the Transborder and International areas will remain as is. As needed, employees may use an alternate active NPS point.

2. The Terminal 3, International Arrivals Service Rd NPS H145A will be unavailable for access, except for:

- CBSA Officers
- Emergency Responders
- Baggage service employees, who:
 - have accessed the door from the Service Road to the baggage claim area; and,
 - remains under visual monitoring of the security guard prior to requesting re-entry

Employees, other than described above, will be required to access the airport restricted area through an alternate NPS access points.
