Subject: Update to Apron Entrance AT Closure

From: Aviation Services

Contact: Cedric Daros, cedric.daros@gtaa.com, 416-776-5854

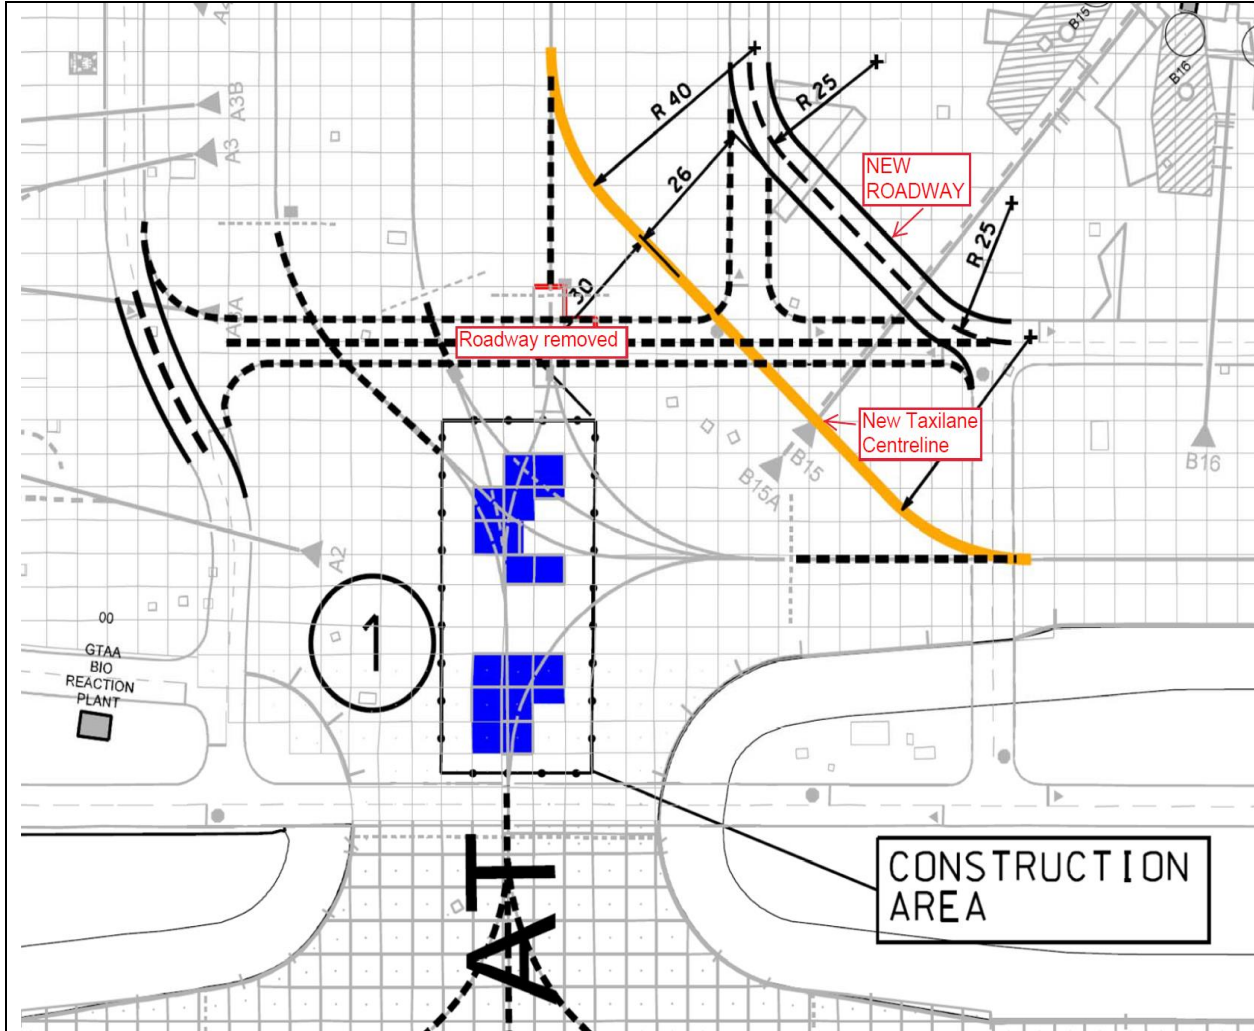

Date: 2020-05-15

Apron Entrance Alpha Tango (AT) will be temporarily closed for a period of four (4) weeks commencing on May 19, 2020 @ 0700. This will facilitate concrete slab replacement.

As a result of this closure, the following restrictions will be put into place:

- Taxilane 1 & 2 and associated gates restricted to aircraft of Code C or smaller
- Radius from North/South Taxilane to Taxilane 2 will be relocated for aircraft access
- Apron Entrance AT closed
- Centreline Lighting unavailable on Lane 1 & 2 and on N/S taxilane north of Stand B16. No Low-vis operations permitted.
- Gate A2 and B15 closed
- Taxilane 1S closed
- Tail-of-stand road will be relocated at B15
- Connecting corridor from Gate A3 to B15 will be closed for duration

Please be aware of non-standard aircraft movements and vehicle movements in the area of AT intersection and gate B15.

If you have any questions or concerns regarding this work, please contact Cedric Daros cedric.daros@gtaa.com .
