Subject: Taxiway Hotel Rehabilitation Work

From: Aviation Services

Contact: Elise Fullerton, elise.fullerton@gtaa.com, 416-776-5774

Date: 2020-05-22

Taxiway Hotel will be temporarily closed for rehabilitation work within two work areas:

Area 1 - May 25th to July 24th Taxiway Hotel between Taxiway Alpha and Threshold Runway 23

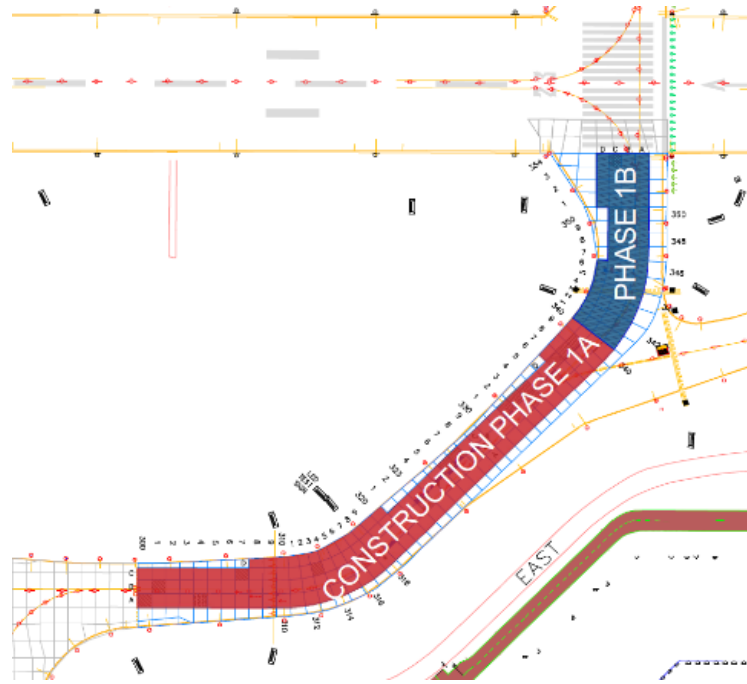

Area 2 - May 25th to July 11th Taxiway Hotel between Taxiway Hotel 2 and Threshold Runway 05

Work within the critical area of Runway 05/23 will be conducted nightly from 00:01L to 10:59L (Phase 1B, 2B) to minimize impact. There will be work outside the critical area during daytime hours which will not impact departures. This work has been coordinated with Runway 15L/ 33R work, please consult Advisory # G02-2020-A-034 for details.

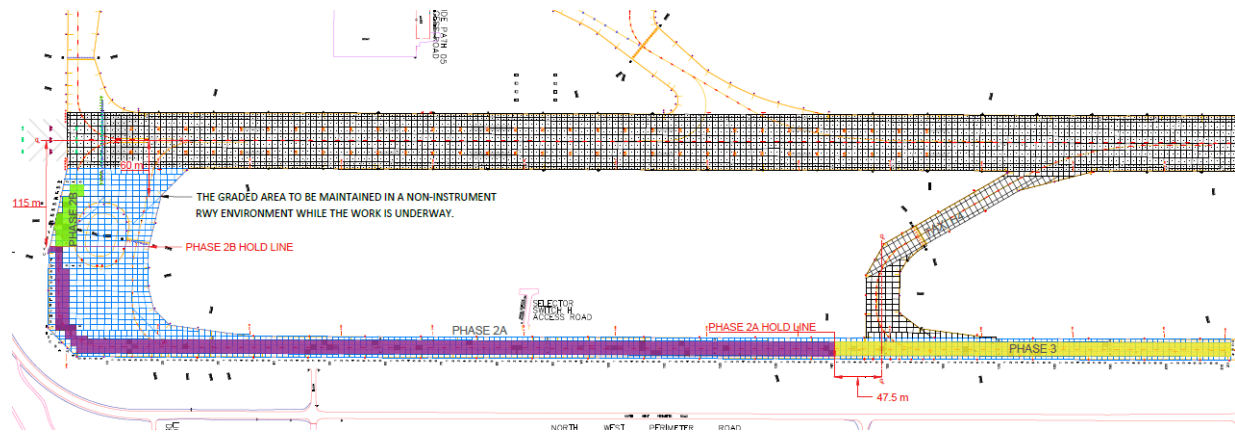

For the duration of this work, Runway 05/23 will be used for Departures only. Full length departures can be accommodated from Taxiway Juliet. During the work, low visibility operations are not permitted on Runways 05/23 or 15L/33R.

Please consult NOTAMS for work related to Taxiway Hotel for times and availability.

Area 1 – Taxiway Hotel between Alpha and threshold Runway 23

Area 2 – Taxiway Hotel between Hotel 2 and Threshold Runway 05
