Date: 2020-06-10

The GTAA Airport Development and Technical Services department capital restoration program continues to improve the reliability of People Moving Devices (PMDs) throughout Terminal 3.

The next elevator to be upgraded is BH31, which provides access to the business class lounges and Hammerhead C service level. This elevator will be removed from service on **June 11th, 2020** with an expected return to service date of **September 10th, 2020**. During this period employees requiring the use of this elevator will be required to use elevator BH35.

If have any questions, please do not hesitate to contact Hossana Ashagrie at 416-776-3487.
