

Advisory # **2020-A-043**

Subject **Airport Health Initiatives – Non-compliance escalation**

From: Governance, Corporate Safety and Security

Contact: Bryan Scott, bryan.scott@gtaa.com, 416-776-3567

Date: 2020-07-06

Monitoring for adherence to the June 1, 2020 Directive #2020-D-005 "Mandatory Face Coverings and Airport Access Restrictions" continues and persons identified as not complying with the requirements will be denied entry or requested to leave the airport terminal facilities. This Directive sets mandatory requirements to be followed by all airport employees and passengers for the health and safety of everyone at Toronto Pearson.

An airport employee, after being approached, refuses to comply with or ignores the request to wear a mask as per Directive #2020-D-005, will be required to surrender their Restricted Area Identity Card (RAIC), or be issued an infraction under the Trespass Act, and must leave the terminal facility immediately. A minimum one (1) day suspension of the RAIC and terminal access privileges will occur. Failure to surrender the RAIC at the request of the GTAA will be considered a violation of the Terms and Conditions of Issue and may result in further sanctions up to permanent revocation. Airport employees may request the return of the RAIC following the directions provided at the time of the RAIC confiscation.

Ensuring Toronto Pearson is the safest possible environment for workers and passengers is everyone's responsibility.
