Subject: Apron Taxilane 4 Slab Replacement – Terminal 3

From: Airport Operations

Contact: Cedric Daros, cedric.daros@gtaa.com, 416-776-5854

Date: 2020-07-23

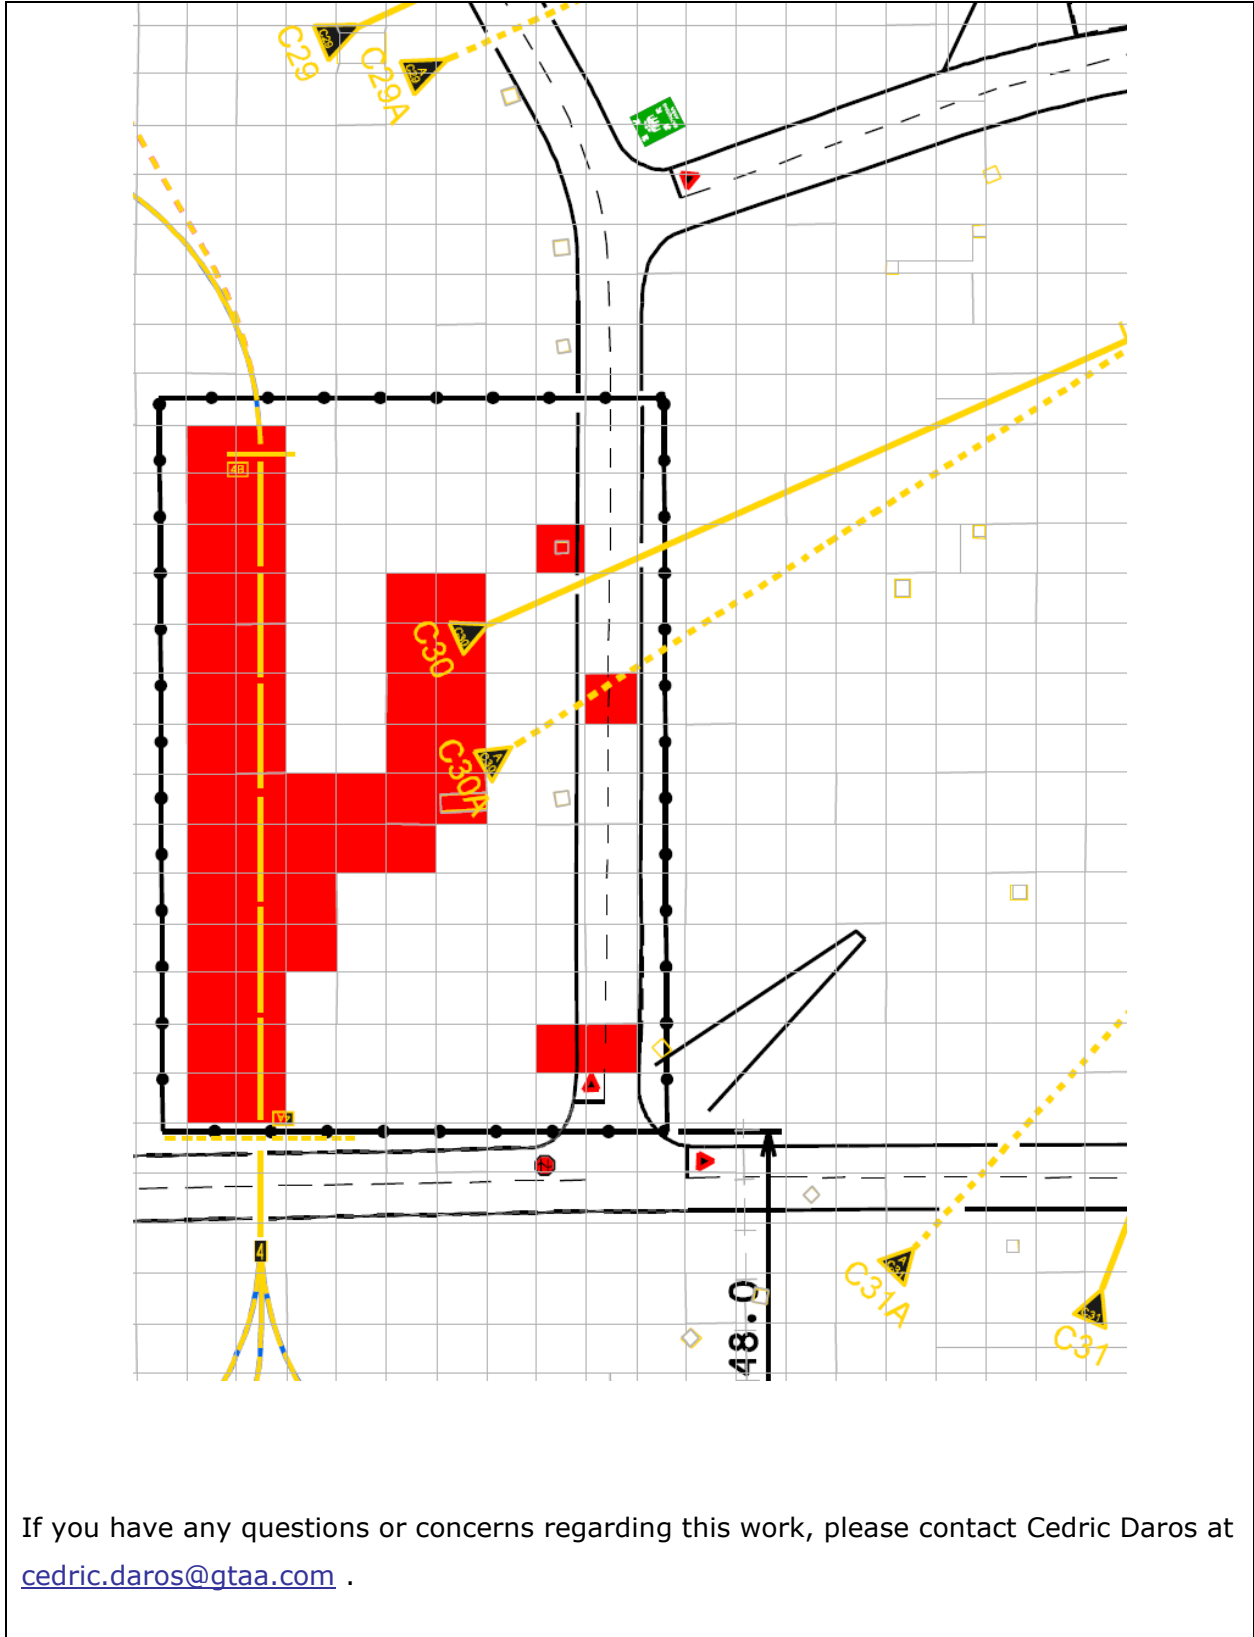

Apron Taxilane 4 will be temporarily closed for a period of five (5) weeks commencing on July 27, 2020 @ 0700. This will facilitate concrete slab replacement.

As a result of this closure, the following restrictions will be put into place:

- Apron Taxilane 4 closed between North/South Taxilane and West of Gate C29/C29A
- Gate C29 closed
- Gate C29A restricted to B757-300W and smaller
- Gate C30/C30A closed
- Tail of stand road behind Gate C30/C30A closed (per diagram)

Vehicles are to refrain from driving around the south side of the site across C30/C30A.

Please be aware of non-standard aircraft/vehicle movements in the area of Taxilane 4.

If you have any questions or concerns regarding this work, please contact Cedric Daros at cedric.daros@gtaa.com .
