

Advisory # **2020-A-051**

Subject: Terminal 1, Terminal 3 HSBC Rebranding

From: Airport Operations

Contact: Jeremy Schoular 416-776-3437

Date: 2020-07-31

Please be advised, over the next 60 days people and equipment will be working in various locations of Terminal 1 and Terminal 3 updating the HSBC branding on the terminal buildings. Work will take place on the exterior and interior of passenger boarding bridges, on the exterior of the fixed links, including areas crossing the head of stand roads.

Stakeholders will see intermittent single lane closures on head of stand roads and will be asked to assist in removing equipment from the bridge areas and fixed links during this work. The impacts to each area should be no more than 1 day per area.
