

Advisory # **2020-A-054**

Subject: Terminal 1 Decommissioning FEM11 & FEM12

From: Airport Operations

Contact: Richard Attenborough, Richard.attenborough@gtaa.com, 416-776-5699

Date: 2020-08-19

Please be advised that as of Thursday August 21, 2020, both highspeed moving walkways in Terminal 1, FEM11 & FEM12, will be taken out of service and decommissioned. These units will remain powered off for 10 days until hoarding can be put in place and the removal process can commence.

If you have any questions, please do not hesitate to contact Richard Attenborough at (416) 776-5699 or Amaury Godin at (416) 776-9649.
