

Advisory # **2020-A-064**

**Subject: Terminal 3 Elevator H22**

**From:** Airport Operations

**Contact:** Amaury Godin, Amaury.godin@gtaa.com, 416-776-9649

**Date:** 2020-10-16

The GTAA Airport Development and Technical Services department capital program continues to improve the reliability of People Moving Devices (PMDs) throughout Toronto Pearson International Airport.

The next elevator to be upgraded is Terminal 3 elevator H22. Elevator H22 provides service from the Arrivals Transfer Level Pier C side to the CBSA Primary Inspection Hall (PIL). This elevator will be removed from service on **October 20<sup>th</sup>, 2020** with an expected return to service date of January 31, 2021. During this period, arriving passengers who require the elevator must be escorted to elevator G19 which is located opposite the escalators that go to the CBSA PIL from Pier B. In addition, the Non-Passenger Screening (NPS) will be relocated from door H121A to door G172 in the PIL in order to allow employees to gain access to the AT level via elevator G19 (see drawing below).

If have any questions, please do not hesitate to contact Wesam Abuharbid at 416-776-5362.
