

Advisory # **2020-A-067**

Subject: Non Passenger Screening-Vehicular (NPS-V) South – 1 Day Closure of interior & middle lane adjacent South Service Road

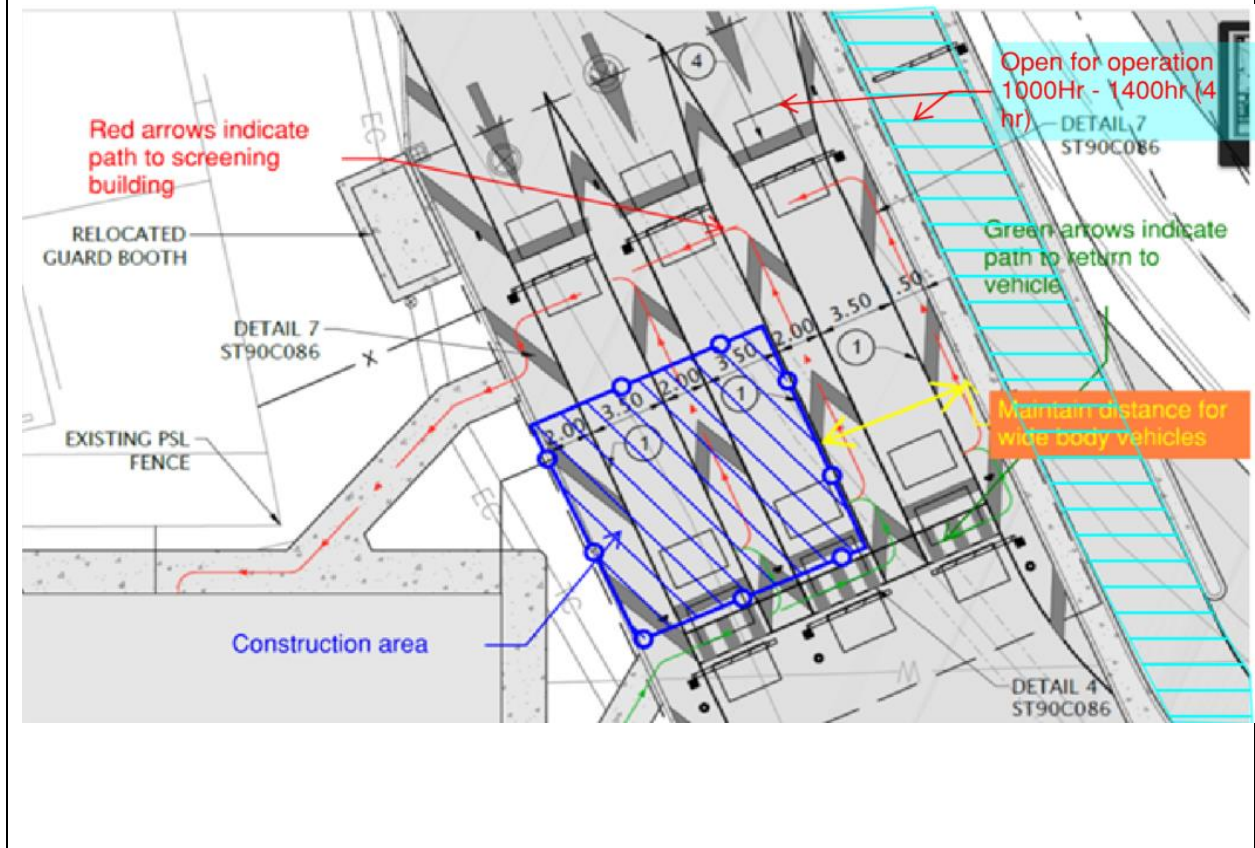

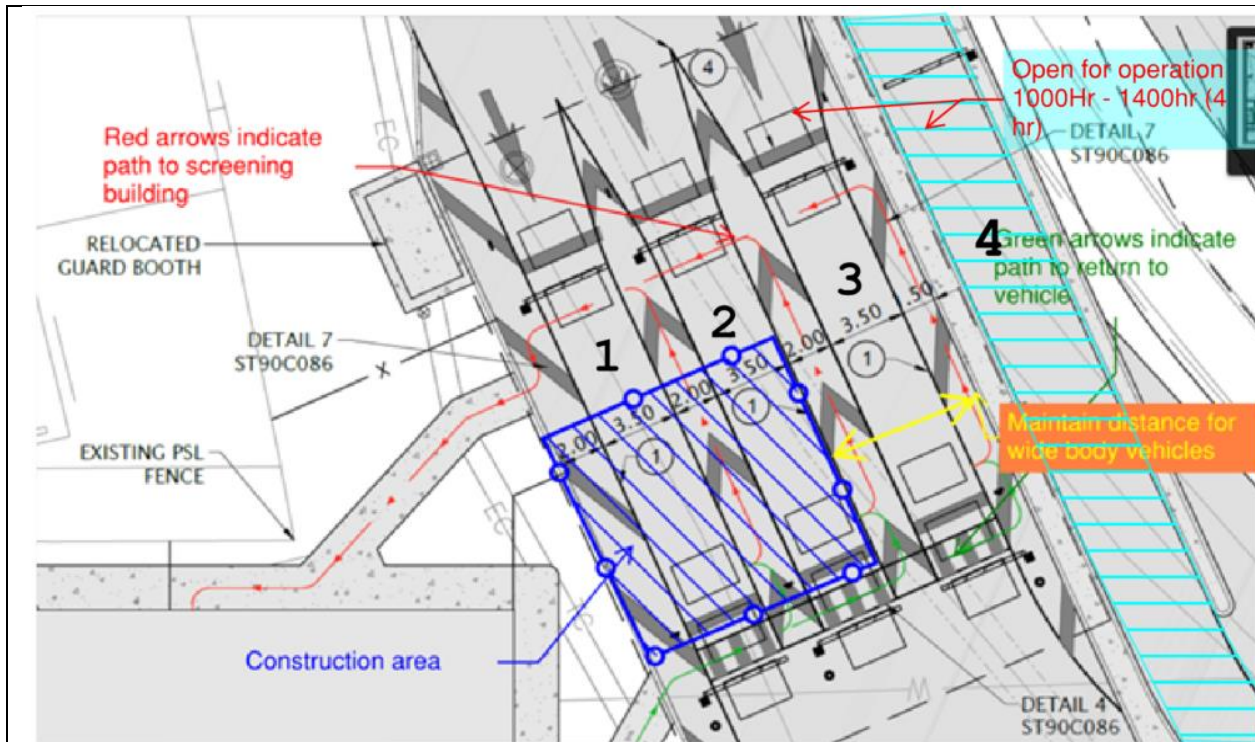

From: Airport Operations

Contact: Andrew Payter, Andrew.Payter@gtaa.com, (416) 407-9619

Date: Thursday, October 22, 2020

Please be advised that on Tuesday, October 27, 2020 at 1000hrs, repairs to lane 1 sinkholes will commence. Lanes 1 and 2 will be closed for the first 4 hours and operations will transfer to lanes 3 and 4.

Please note that lane 4 will be an emergency lane. All vehicle operators are to take direction from Security as to which lane to use during this time. At approximately 1400hrs, lane 4 will revert to an emergency lane and lane 2 will then open for operations. Lane 1 will be closed for approximately 12 hours.
