Date: 2021-02-25

Please be advised in order to right size our facilities, and better utilize maintenance and operational resources, the Greater Toronto Airports Authority (GTAA) is closing the following Terminal 1 and 3 parking areas:

- Terminal 1 parking garage levels 6, 7 and 8
- Terminal 3 parking garage levels 4 and 5

The closure begins on March 1, 2021 until further notice. Signage and posters will be installed to inform drivers.

Access to these areas is restricted and the GTAA is not responsible for failure to comply with the posted notices.

No operational impact is anticipated as sufficient parking spaces remain available in both garages to support demand.

If have any questions, please do not hesitate to contact Carlo Cordi at 416-776-5975.
