

Advisory # **2021-A-029**

**Subject: MU3A Signage above the roll-up doors (EF1013F) (EF1013G) (EF1013J) (EF1013H).**

**From:** Airport Operations, Airside Ground Operation and Baggage Services.

**Contacts: Manager Operations - Baggage @ 416-776-1111**

**Effective Date:** 2021/07/19

Effective July 19 ,2021, the GTAA will install signage above the roll-up doors (EF1013F) (EF1013G) (EF1013J) (EF1013H) at the MU3A baggage room which supports the intended flow of traffic. The signage above the roll-up doors will be denoted with "Entrance Only" or "Wrong Way".

Strict adherence to the signage and traffic flows is required and will be enforced by Aviation Safety Officers (ASO)

Certified AVOP trainers must review these signage enhancements within their organizations. All stakeholders operating airside shall disseminate this advisory internally and ensure their AVOP holders are aware of the new signage. All employees operating in these areas are reminded to exercise extra caution when transiting through these areas in vehicles or on foot.

We appreciate your cooperation and collaboration in our joint efforts to improve ramp safety.
