

Advisory # 2022-A-016

**Subject: AMF, Administrative Building, and South Firehall Parking Lot Repaving**

**From:** Airport Development & Construction

**Contact:** Simon Ho; [simon.ho@gtaa.com](mailto:simon.ho@gtaa.com); 416-655-6603

**Date:** April 29, 2022

The parking lots at the AMF building, Administrative Building, and South Firehall will be repaved from May 2022 to July 2022. This work will be completed in a phased approach to minimize impact to AMF, Admin, Firehall, and Air Canada employees. During this time, parking and access will be provided as per the following phasing plans. Figures with legend is located at the end of this document. Notwithstanding the dates and phasing shown here, all temporary signage and directions must be adhered to.

**Admin Visitor Lot and Admin Main Drive Ramp**

- Duration: From early-May 2022 to late-May 2022
- Admin employees and visitors
  - Parking available in Admin employee lot only.
  - Visitor lot and main entrance drive lane will be unavailable.
  - Entrance and Deliveries to Admin building will be through Cafeteria Entrance only.
  - Main entrance will be closed.
- Air Canada employees
  - Entrance to parking lot at Annex building will be reduced to one lane with traffic control for in/out traffic.

### **Admin Employee Lot**
