Subject: Reminder - Transportation Security Clearance Renewal

From: Governance, Corporate Safety and Security

Contact: Renita Luis

Date: 2022-05-03

This notice is a reminder to Toronto Pearson employees whose Transportation Security Clearance/Restricted Area Identity Card ("RAIC") is going to expire in the next six (6) to nine (9) months.

Due to the higher-than-normal demand for spots in the Pass Office Virtual Queue, it is **strongly recommended** that if your RAIC is going to expire in the next six (6) to nine (9) months that you **plan ahead and book your spot in the Virtual Queue** to attend the Pass Office and submit your Transportation Security Clearances Application ("long form").

You must book a spot for all visits to the Pass Office. The virtual queue is available at <https://www.torontopearson.com/ppco>.

Thank you for your support and stay safe.
