Date: 2022-08-05

As part of the 2022 Airfield Capital Restoration program, Taxiway Juliet is being rehabilitated. Phase 2 of the project requires crack sealing, grass shoulder adjustment and drain flushing activities to be conducted in the intersection of Taxiway Kilo and Taxiway Juliet.

This work will take place nightly from August 8 to August 12, working times are 2300 to 0600L.

During this time, Taxiway Juliet between Taxiway Papa and Runway 15L, and the intersection of Taxiway Juliet and Taxiway Kilo will be available with 30 minutes prior notice.

All north end tenants are required to provide 30 minutes notice prior to departing or arriving into the Taxiway Kilo area by calling Airport Operations at 416-776-3056.

For any questions, please contact Jeremy Schoular at jeremy.schoular@gtaa.com.
