Subject: Non-Passenger Screening – Vehicles (NPSV) SE Re-Activation

From: Governance, Corporate Safety and Security

Contact: Bryan Scott, bryan.scott@gtaa.com

Date: 2022-08-08

Please be advised the NPSV – SE/PIFFC/Menzies location has re-opened and is operating on limited hours of 12:30-20:30 daily. Outside of these hours, all vehicle traffic entering via this location must proceed to NPSV-South before entering the critical area.

All vehicles entering and remaining in the critical area of the airport must attend to an NPSV location for purposes of undergoing security screening. Failure to report to and be subjected to security screening will result in enforcement action, up to the revocation of the vehicle occupants' RAIC. To ensure awareness, employers are encouraged to advise and remind employees during daily briefings or retraining for returning staff.
