To streamline apron operations, the following changes to the Apron paint markings are set to take place on Tuesday August 16 between 0700-1500:

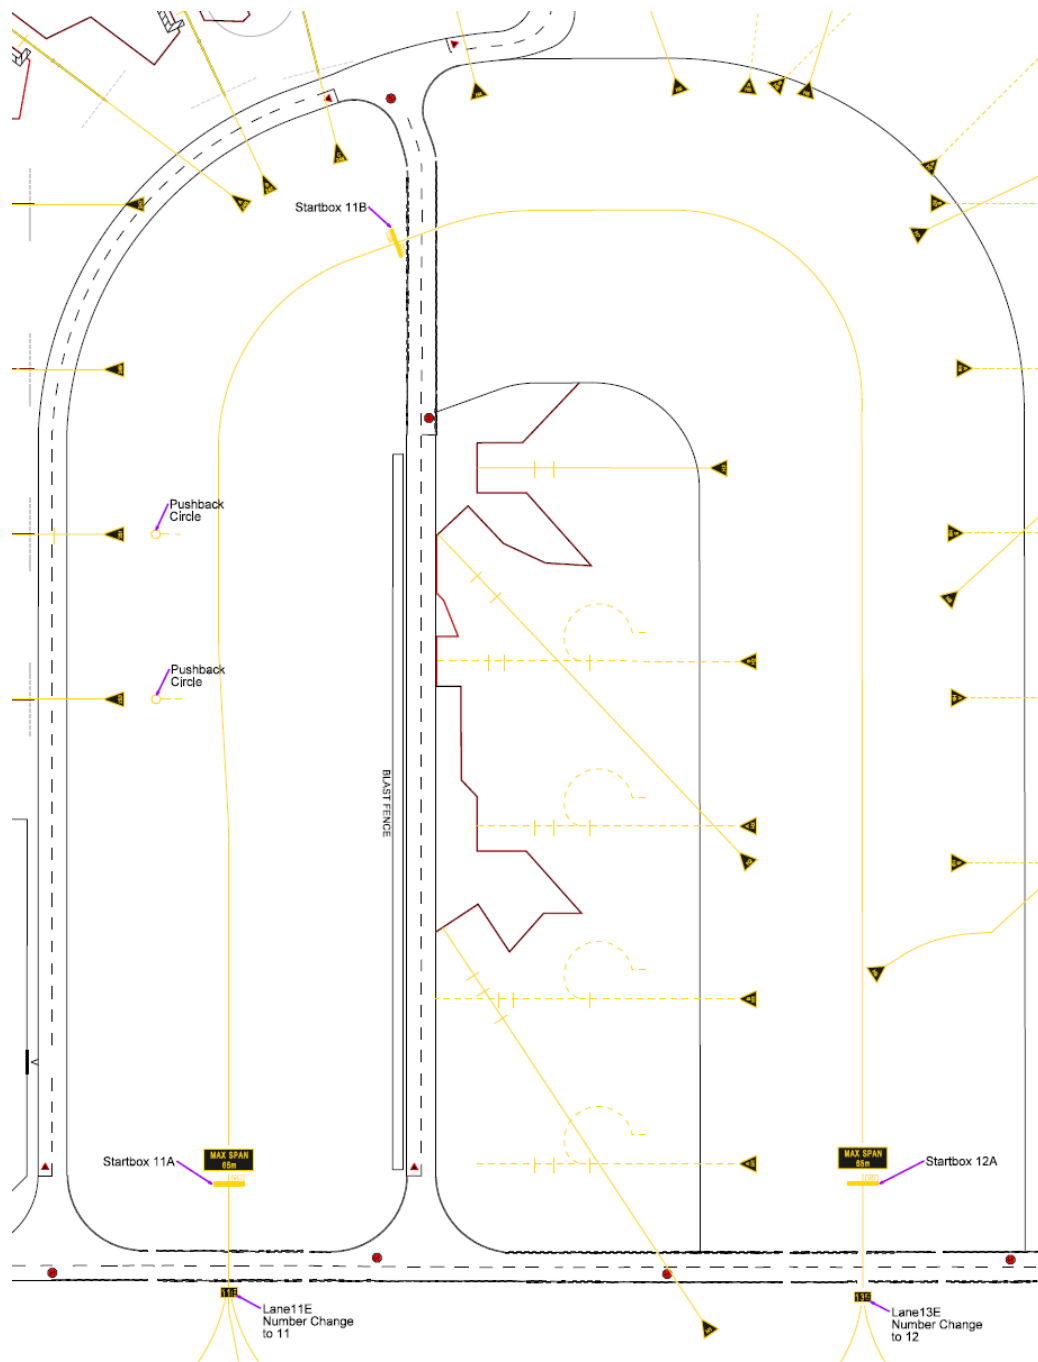

- Existing Apron Taxilanes "11E" and "13E" will be renamed to "11" and "12" respectively.
- The addition of new Start Boxes "11A", "11B" and "12A".
- The addition of new pushback circles on stands 251 and 253, for all aircraft Code C or smaller.

To allow these changes, the following short-term closures will be put into place as required for the duration necessary to apply the paint:

- East/West Taxilane Closure between DT and DV @ approx. 0700-0900L.
- Taxilane 13E Closure (minimal impact to stands) @ approx. 0700-0900L.
- DT Apron Entrance Closed @ 0900-1200L.
- East/West Taxilane Closure between DR and 13E @ approx. 0900-1200L.
- Taxilane 11E Closure (no impact to stands) @ approx. 0900-1200L.

Once work is completed, a NOTAM will be issued until publications are updated on December 29, 2022, to denote the Taxilane number changes. **After the work is complete, the taxilanes will be known as "Taxilane 11" and "Taxilane 12".**

Please be aware of non-standard aircraft and vehicle movements in the area of Apron Entrance DT intersection and Taxilanes 11E and 13E.
