**Reference Advisory #2022-A-023**

Please note, from Monday, August 22, 2022, 00:01-23:59, August 26, 2022, the Infield Concourse (IFC) will be temporarily removed from the Critical Area.

As per Advisory #2022-A-023, the security lines associated with the IFC were amended. Therefore, during the time period stated above, the security lines are temporarily being adjusted, requiring vehicles traveling from the IFC apron along the 5th Line Service Road, north of the Non-Passenger Screening-Vehicle (NPSV) Cargo West, to continue traveling south on the 5th Line Service Road to report to NPSV Cargo West.

Upon completing the temporary amendment, the security lines will revert to the configuration identified in Advisory #2022-A-023.

Please disseminate the above information to ensure continued compliance with security regulations and the practice of reporting to an NPSV point before entering the Airport Critical Area.
