

Advisory # **2022-A-039**

Subject: IFC Resuming Operations – No Loitering Bus Bay 12

From: Airport Operations

Contact: Tammy Smith, tammy.smith@gtaa.com

Date: 2022-08-29

Please be advised that the IFC (Infield Concourse) will resume regular operations starting on September 6, 2022. Bus Bay 12, (adjacent to the B26 lounge) will be active for daily operations to transport passengers to and from the IFC and as a result, airport employee loitering will not be permitted in this area.

Patrols of Bus Bay 12 will be increased and if an individual is identified as loitering, they will be asked to vacate the area.

If a break area is needed, a common use breakroom is available to all employees on the public side of the terminal adjacent to the Domestic baggage hall. We encourage airport employees to use this space as needed.

If have any questions, please do not hesitate to contact Tammy Smith at (416) 776-1107 or tammy.smith@gtaa.com.
