

Advisory #2022-A-053

Subject: Terminal 3 Roofing Project Laydown Area

From: Airport Operations

Contact: Nick Matveev, nick.matveev@gtaa.com, 416-802-9387

Issue Date: October 27, 2022

In support of the Terminal 3 Roof Replacement Project and the associated Laydown area (Figure 1), the Vehicle Corridor located at C29 Head-of-Stand along with a portion of the Ground Service Equipment area will not be available during the following dates.

October 31, 2022 – May 30, 2023

Pedestrian Access through the tunnel will remain available 24/7. For alternate vehicle routing, please refer to Figure 2.

If you have any questions or concerns regarding this work, please contact Nick Matveev nick.matveev@gtaa.com.
