Date: 2022-20-01

The IFC will have its current PSL moved over three days on January 23/24/25. This PSL move will provide additional aircraft stand capacity.

The Phases will occur as follows:

Phase 1 – January 23/24

- Apron Side PSL Fencing will be moved over two days.
- Stands 529/530 will only be available for overnight parking from 1800-0530 on January 22/23/24.

Phase 2 – January 25

- Interior PSL will be moved from the current 527 to 529.
- Exterior Gates 529/530/531 will be available for Aircraft Stand Parking.
- Water Bowser Room will be available for Ground Handler Usage.

Phase 3 – Mid-February (Estimated February 10)

- Interior Lounges 527/528/529 will open and be available for passenger seating.
- Gate 529 will be available as an Operational Gate.
