

Advisory #2023-A-010

Subject: Terminal 1 Stand 245A Modification

From: Airport Operations

Contact: Nick Matveev, nick.matveev@gtaa.com, 416-802-9387

Issue Date: April 25, 2023

Due to increase in demand for CR9 capacity, stand 245A has been modified and relocated to accommodate additional parking for CR7/CR9 aircraft. To facilitate this, Stand 245B will be closed and removed, and passenger walkway has been realigned accordingly. Please refer to figure 1 for new configuration. This change will take effect on April 27 at 1700.

If you have any questions or concerns regarding this work, please contact Nick Matveev nick.matveev@gtaa.com.
