Directive # 2018-D-002

Subject: NEW Airport Emergency Plan (AEP)

From: Operational Continuity & Emergency Management Programs

Contact: Sue Peric, susan.peric@gtaa.com, 416-776-1106

Date of Issue: 2018-February-28

Effective Date: 2018-March-05

Background and Impact: The NEW Airport Emergency Plan will come into effect on Monday, March 5th, 2018 and will replace the Emergency Response Plan (ERP).

The AEP have been created to be a clearer, more concise document, in addition it is better aligned with our carrier and airport community response partners.

It is important to note that the roles and responsibilities of GTAA and External Partner responders has not changed, however they are distinctly identified. This is intended to promote consistent protocols, policies and procedures.

To ensure that all users of this document have the current copy and the old documents are removed, our team will be contacting you to book time to provide you a copy of the new document.

Should you require additional information, or clarification please contact Sue Peric or our department at emergency.management@gtaa.com.
