

Supersedes: 2020-D-004

Directive # 2021-D-001

**Subject: Annual Update - Airport Emergency Plan (AEP)
Update of Associated Emergency Documents:
Communicable Disease Plan
Facility Control Measures and Evacuation Plan
Uninjured Passenger and Family/Friends Gathering Areas Protocol**

From: Operational Continuity & Emergency Management Programs

Contact: Flora Graham, flora.graham@gtaa.com, 416-776-3426

Date of Issue: 2021-04-08

Effective Date: 2021-04-08

The annual update of the Airport Emergency Plan (AEP) along with updates of the associated emergency response plans is now complete.

External stakeholders will be contacted by the OCEMP team to arrange for hardcopy delivery of the updated documents, which will be replaced in the previously provided binder.

GTAA stakeholders can access the documents via the links below:

[Airport Emergency Plan \(AEP\)](#)

[Communicable Disease Plan](#)

[Facility Control Measures and Evacuation Plan](#)

[Uninjured Passenger and Family/Friends Gathering Areas Protocol](#)

Please ensure that you and your staff are familiar with the plans and the protocol, so that they can respond effectively if the need arises.

Should you require additional information, or clarification please contact Flora Graham or the Operational Continuity & Emergency Management Programs department at emergency.management@gtaa.com or at our general number, 416-776-3737.

A handwritten signature in blue ink, appearing to read "Craig Bradbrook".
