

Report safety and security concerns in the moment.

Keep Toronto Pearson safe.

Emergency situations

For potential injuries, fire, fuel spills or life-threatening situations.

Do not call 911.

416-776-3033

Urgent non-emergencies

Report issues such as non-chemical spills (coffee, water, etc.) or leaks, icy floors, maintenance issues, aircraft cut-offs, airside equipment and airside parking concerns.

416-776-3055

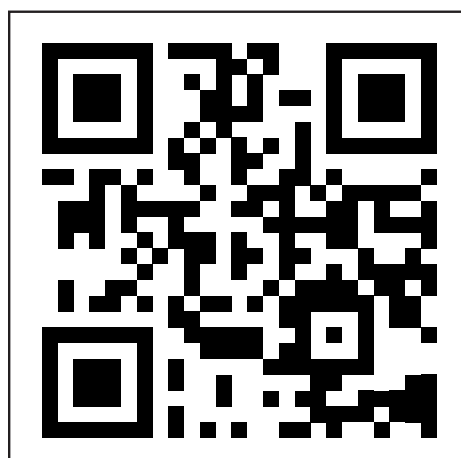

Security concerns

Flag unattended items, gates or doors not closing/securing, piggybacking, vandalism, suspicious vehicles/persons or need/right violations.

416-776-7381

Proactive safety concerns

Speak up about unsafe behaviours or work conditions that could lead to an accident.

Make your report effective!

Include the **who, what, when and where.**
