

FOD STOPS HERE!

FOD is foreign object debris

Even small pieces of debris can cause damage to people, aircraft and equipment.

Pick it up.

If you see FOD, **remove it right away** and put it in a FOD bin.

Secure it.

Tie down, close or stow anything that could blow away.

Report it.

If you spot larger debris or hazards, contact **Airport Operations Control (AOC)** at **416-776-3055** immediately.

FOD is everyone's responsibility.

Let's keep our airport
clean and safe.
