

# Report safety hazards immediately to

416-776-3055

Safety hazards include unsafe driving, broken equipment or improper PPE.

Let's work together to keep Toronto Pearson safe.

## Click it or Ticket

You wouldn't get in your car without a seat belt, so why use airside equipment without one?

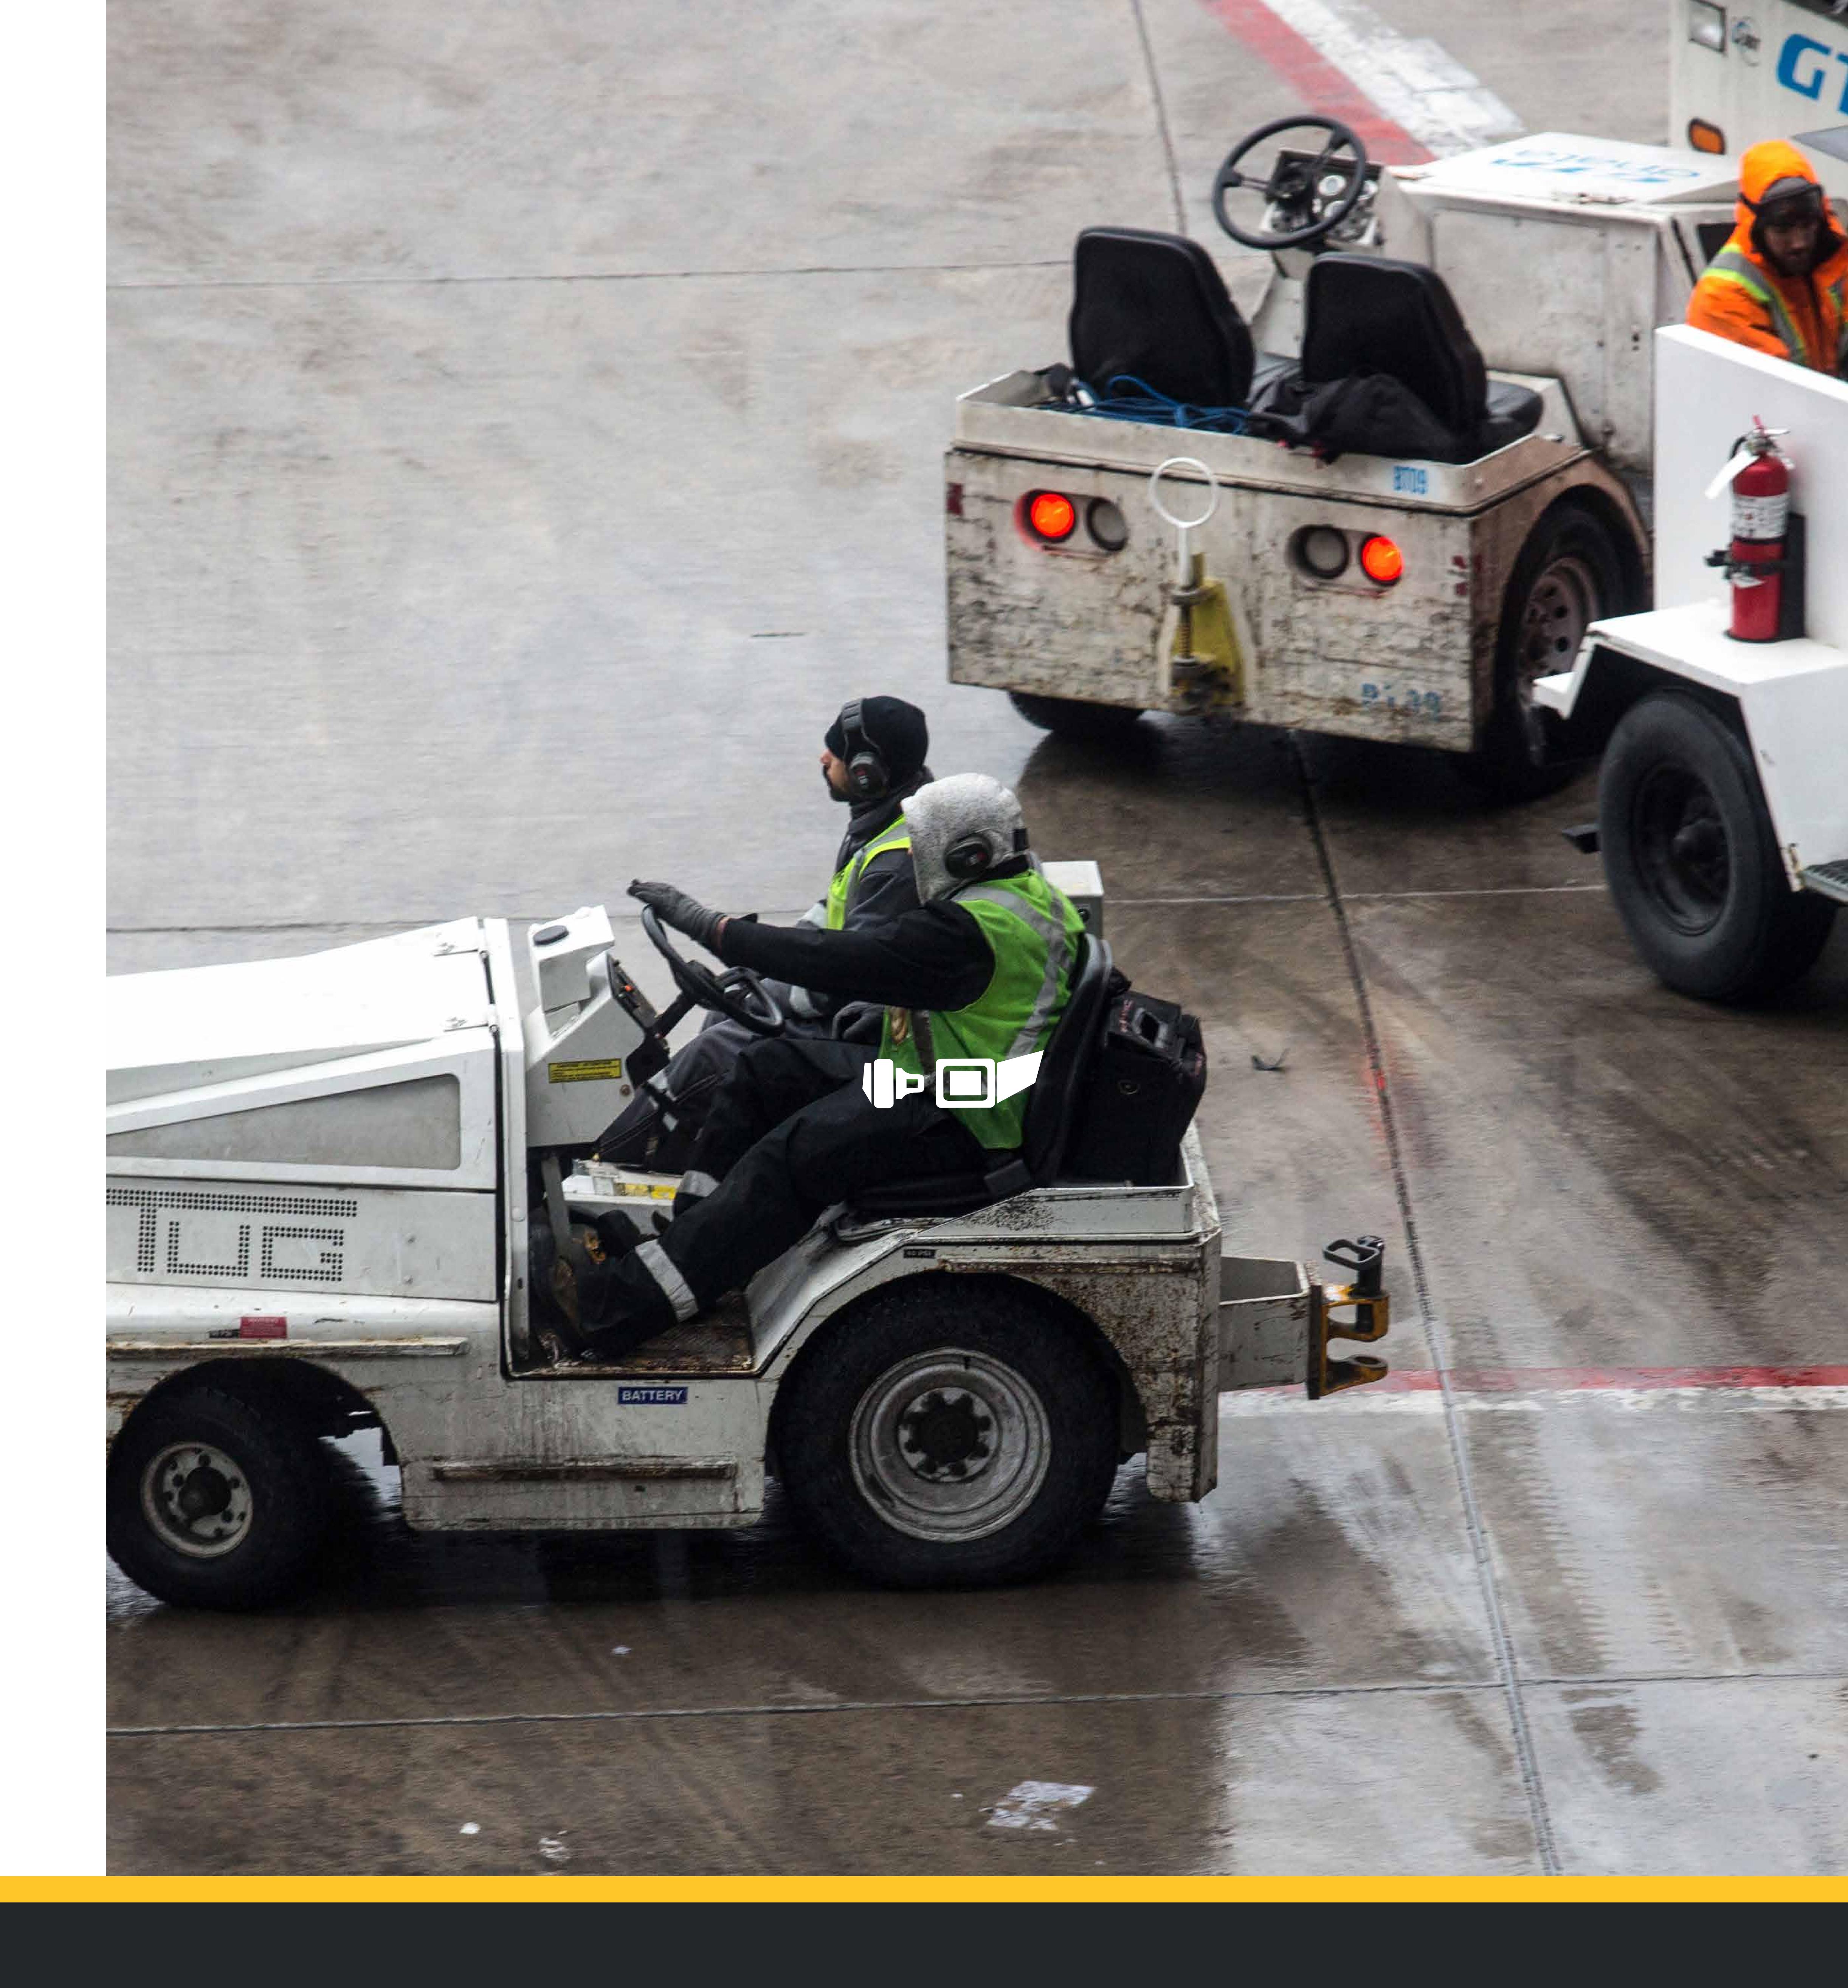

### Communicate clearly, avoid distractions.

#### Avoid a runway incursion!

When driving on the maneuvering area, ensure you are focused on the task at hand and the instructions received from Nav Canada.

#### Let's work together to keep Toronto Pearson safe.

Report safety hazards immediately to

416-776-3055.

These include: spills, slippery conditions, broken or non-operational escalator, or moving walkways.
