

# SHIFT BRIEFING

## MANDATORY TRAINING

To help us reduce workplace injury and promote a culture of safety, employees are required to complete the [Airport Security Awareness \(CASAP\) modules](#) prior to obtaining their RAIC.

The modules are:

- Module 1: Security Awareness national
- Module 2: Security Awareness YYZ site-specific
- Module 3: Health and Safety Awareness

Other mandatory courses for all airport workers include:

- [Active assailant awareness](#)
- [Facility control measures and evacuation plan](#)
- [Environmental awareness](#)
- [Human trafficking awareness training](#)
