# Live IOCC Updates on CP24 Breakfast Television

- In October, Toronto Pearson launched an exciting partnership with CP24 to provide passengers with daily operational updates.
- **Our Airport Duty Managers (ADM)s** are our best subject matter experts – they are the right person to provide information passengers want.
- Each morning, the ADMs deliver updates live from the airport's Integrated Operations Control Centre (IOCC).
- The segments air **Monday to Friday** live on CP24. We share the clips on our social media pages.
