**NOTICE DATES**

2022-05-11 to 2022-05-17

**REHABILITATION OF RUNWAY 06L/24R –April 4th to mid-November 2022**

Toronto Pearson International Airport is embarking on one of the largest runway rehabilitation projects in its history. Starting April 4th 2022, the airport will begin major work on 06L/24R, Toronto Pearson’s second-busiest runway, first built in the 1960s, to ensure the continued safe operation of the airport, and consequently the safety of passengers, employees and the communities we serve.

To learn more, please visit our [dedicated web page](#) and check back regularly for updates.

**MAINTENANCE NOTICE**

The Toronto Pearson Noise Office publishes Maintenance/Construction Notices for resident awareness of airfield maintenance and construction that could lead to increased usage of other runways. This is regular, scheduled maintenance that may consist of but is not limited to grass cutting, rubber removal, patching, electrical work, and line painting. *This schedule is subjected to change, and unscheduled runway unavailability may occur.*
