Topic	Summary	Action Items
Airside Tour	<ul style="list-style-type: none">• Members of the Noise Accountability Board participated in an airside tour for this meeting. The tour provided members with the opportunity to build their knowledge of Toronto Pearson’s operations, including the complex environment in which we work, and how these operations can impact the surrounding community.• As part of the tour, members were also able to see one of Air Canada’s retrofitted A321 aircraft.	<ul style="list-style-type: none">• N/A
GTAA Complaints and Operations Statistics Update	<ul style="list-style-type: none">• Monthly statistics. Currently January – July 2019 are available.	<ul style="list-style-type: none">• Not covered in meeting; available online for review.
