TERMS & CONDITIONS

As the Requesting Authority of an Airside Restricted Area Vehicle Marker(s), I, the undersigned, agree to and will abide by the following Terms and Conditions of issue:

- That the restricted area vehicle marker(s) issued to this company is the property of the GTAA;
- That the restricted area vehicle marker(s) is not transferable and only valid for the vehicle as described on the Restricted Area Vehicle Marker Application form;
- That the restricted area vehicle marker(s) will be mounted on the front left side panel of the vehicle as directed by the GTAA and clearly visible at all times when in an Airport Restricted Area;
- That I will safeguard the restricted area vehicle marker(s) at all times and report the loss, theft and /or destruction of the marker without delay to the Pass / Permit Control Office at pass.permits@gtaa.com or the Security Operations Control Centre at 416-776-7381;
- That I am subject to an administrative fee of loss / theft / damage of the Airside Restricted Area Vehicle Marker(s);
- That the restricted area vehicle marker(s) will only be utilized in those Airport Restricted Areas to which access is required while on duty and in the performance of functions directly related thereto;
- That I am aware of the insurance requirements associated with issuance of the restricted area vehicle marker(s) and agree to provide the GTAA with proof of insurance upon renewal and / or demand;

- That the restricted area vehicle marker(s) issued to me by or under the authority of my employers and/or the GTAA will be surrendered;
 - To the Airport Pass Permit Control Office on demand;
 - b. On the breach of any conditions contained in this document and/or relevant Canadian Aviation Security Regulations / Airport Traffic Directives / GTAA Policies / Procedures:
 - c. To the GTAA and/or agencies acting on behalf of the GTAA on demand;
- That I am aware that the Registration and Identification Certificate issued by the GTAA must remain in the vehicle at all times and will be produced upon demand;
- I am aware that vehicle marker(s) renewal will occur no less than 72 hours prior to the vehicle marker(s) expiry date;
- That I will be responsible for the issue and control of restricted area vehicle marker(s) and will produce such records on demand;
- That person(s) operating vehicles airside will be fully briefed on his/her role and responsibilities while operating the vehicle airside;
- 13. I am responsible to ensure that only qualifying vehicles receive vehicle marker(s) and confirm that receiving vehicles will have adequate company insurance to be produced on demand;

NOTE: Vehicle marker(s) issued are due on or before the date approved by the GTAA regardless of the vehicle validation date.
